PDINZ,
Professional member of ADNZ

(2010 – Present)

Established Boyd Design Ltd.

Initially established to work along side Rowbotham Boyd Architecture as a Design Company specialising in Retail Design and High End Residential Projects, but is now my sole focus.

The range of work is now expanded to include Private Residential projects, bespoke Retail design, Hospitality Design and Commercial Fit outs. Currently working on a range of Projects throughout New Zealand, Australia, Fiji and Tonga.

(2001 – 2019)

Director of Rowbotham Boyd Architecture Ltd.

Directly responsible for a variety of Residential, Retail, Hospitality and Commercial projects ranging in value from \$150000 to \$12m construction, from initial client meetings through to completion of projects.

(1989 – 2000)

Warren and Mahoney Architects Ltd, Wellington.

Involved in a variety of Retail, Private Residences, multi Unit Residential projects, Commercial projects including Westpac Stadium, Parliament Buildings Refurbishment (in particular the Debating Chamber Fitout to accommodate MMP and General Assembly Library), Stewart Dawson Corner Redevelopment, Whitcoull's Redevelopment, Coastlands Re Development, and Waiouru Army Museum Extensions.

(1988 – 1989)

Renton Howard Wood Levin Partnership, Covent

Garden, London.

Employed to prepare Working Drawings and Supervise Construction for the new Flagship BP Petrol Station attached to BP World Headquarters in Hemel Hempstead, England.

Involved in detailing "Package Drawings" for new Commercial Building at No. 1 America Square, London and Fenchurch Street Underground Station, London.

(1983 – 1987)

Warren and Mahoney Architects Ltd, Wellington
